

BROADWAY HOUSE
FOR CONTINUING CARE

Broadway House is happy to announce that Outdoor Visitation is now beginning.

Outdoor Visitation: A designated area has been set aside, outside of the facility, for family visits.

Visitation will be on a limited basis for now, 2 days per week, for 1 hour duration. The visits will increase as we assess the situation. Our goal is to prevent COVID-19 re-entry into the facility.

Visitation Dates: 6/25, 6/29, 7/2, 7/6, 7/12, 7/16, 7/19, 7/23, 7/26, 7/30

Visitation times are on the hour starting at 8:00am and ending at 8:00 pm. That means the last appointment for the day will be 7pm. You must make an appointment for the hour you would like to visit, for example (12:00noon to 1:00pm).

Please note that there may be changes regarding available dates, but you will be notified. If things go well, meaning no new COVID -19 cases, we will increase visit days. Your patience is appreciated as we navigate through this pandemic.

To schedule appointments please call security at 973-268-9797

OUTDOOR VISITATION RULES

- All visitors must sign in at front desk and sign an informed consent.
- Visitors ARE NOT allowed past the front desk for any reason (no facility restroom use will be allowed by visitors).
- Visitors and Residents must wear masks at all times.
- Visitor temperature will be checked. Covid-19 symptoms questions will be asked, contact information obtained, review of hand hygiene, social distancing, and respiratory etiquette.
- Visitation is NOT to exceed **1 hour**.
- There is a limit of 1 to 2 visitors at a time. All visitors must arrive at the same time so as not to infringe on another residents visitation timeslot.
- No food is allowed during visits or in the designated visiting area. Water will be provided.
- Food or other packages for the resident are to be left at the security desk.
- Social distancing must be maintained by all (minimum of **6 feet**).
- Visitation may be cancelled due to inclement weather.
